Our Family  
Caring for Your Family

*We are here to answer your questions  
with care and understanding*

## Our Story

Hetherington Funerals is a trusted, family-owned funeral home serving Perth and Western Australia for 25 years.

As one of the longest-standing funeral homes in Perth, we offer compassionate and professional funeral services designed to ease the burden during difficult times. We proudly serve both the metropolitan area and surrounding country regions.

Whether you're organising a funeral service or looking for guidance on pre-planning, our experienced funeral directors are here to help.

Our commitment to professionalism, excellence, and compassionate care ensures that your loved one receives a dignified and respectful farewell.

# Our Services

## Cremations

- Flexible service options: chapel's, churches, private venues, or direct (no service)
- Personalised tributes, floral arrangements, and celebrants
- Professional handling with care and respect
- Support for families throughout the entire process

## Burials

- Choice of church, venue, cemetery and/or graveside service
- Assistance with coffins, caskets, and memorial options
- Coordinated logistics to ensure a seamless service
- Compassionate guidance for families every step of the way

## Repatriation

- Professional coordination of transferring loved ones interstate or overseas
- Management of all logistics, paperwork, and transport with care
- Safe, efficient, and timely handling of the repatriation process
- Compassionate support for families during an emotionally challenging time

## Preplanning

- Choose the type of service, venue, and personal touches that reflect your wishes
- Ensure every detail is arranged to provide peace of mind for you and your family
- Support your loved ones by easing the burden during a difficult time
- Prepayment options available

**"There isn't anyone quite like you, which is why your funeral shouldn't be like any other"**
