

Our Family to Your Family

Tom and Birgitt consider it a honour to conduct your loved ones funeral.

We follow strict guidelines when we take your loved one into our care. We have our own Mortuary facilities, our own Mortuary transfer vehicles and custom made hearses.

We guide you through the process surrounding a funeral service - **putting your family at ease.**

An Independent, Australian Family Owned Funeral Directors

About Us

Tom and Birgitt have helped generations of families at this emotional time.

As husband and wife Funeral Directors we offer a "more personal service". We are your first and only contact. We arrange the funeral service and conduct the service.

Putting you and your family at ease. Knowing you don't have to deal with three or four different people. We respect your families privacy, you have complete confidentiality with your funeral arrangements and service.

Pre Paid Funerals

- Pay at today's prices
- Absolutely no price increase
- Relieves financial burden of your family and loved ones
- You get to plan your funeral your way
- You have called all the shots all your life, why change now

Testimonials

I just wanted to let you know how grateful I am for everything you did for me yesterday Birgitt. I know I made the perfect choice in choosing you, so much so that the family has decided we will always have to have you for family funerals!

My heartfelt and most sincere thanks,

Val

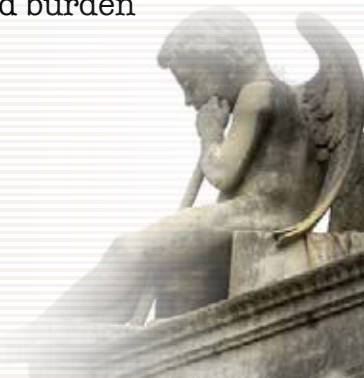

Many thanks Tom & Birgitt for helping us organise the funeral for our late father. Your professionalism and kindness to our family has truly touched our hearts. The service at the church and the burial were truly a beautiful goodbye.

Thank you again,

Miller Family

Pre Arranged Funerals

- Allows you to arrange your funeral service in advance
- We keep your details in our files
- Your funeral is arranged your way
- Takes the stress and burden of your family

If your family doesn't know what to get you for your

Birthday,

how do you expect them to know what you want for your

Funeral?
