## **FAREWELL FUNERALS**

A funeral is a celebration of someone's life. It allows for the dignified and respectful care of the deceased and provides a forum, whether private or public, where those who are close can pay special tribute to their life.

Farewell Funerals aims to make funeral planning as easy for you as possible. Our friendly staff will meet with you guide you through the process and assist in planning every aspect of the funeral, making each service unique which will reflect your loved one.

We cover all aspects of funeral services:

Cremations

Burials

Memorials

Pre-arrangements

No service, no attendance

Veteran services

Children and infant services

Farewell Funerals is a fully registered and insured funeral home. We offer both traditional and contemporary funerals and provide services at all churches, public crematoriums, and cemeteries in South East Queensland.

You will have the same staff guide you through the entire journey. We take the time to listen to your request and work within your budget to create a memorable service. We do not charge after hours transfer fees or for any time you wish to spend with your loved one on our premises.

## CHILDREN and INFANT'S SERVICES

We are passionate about our children and infant's services and endeavor to create a caring and gentle atmosphere that provides the family a safe space to grieve.

We provide clear and open communication with families, so they are kept informed during each step of the process of caring for their child.

Intimate services can be held here at our premises, or at a location of the family's preference.

Choose from a range of pink, blue or white coffins, handmade moses baskets, or for those who wish to personalise the coffin, we provide paint or pens and an atmosphere in which to create loving memories.

A keepsake urn is supplied for all our babies or you can choose your own. For something a little different, we have "Farewell Cuddle Bears" in which we inter the cremains and engrave a medallion with baby's name and date of birth. The bears are available in brown, pink and blue.
