Direct Cremation

“A private cremation with no funeral service”

Our professional fee from \$1,875*

In some cases families will choose a direct cremation with no funeral service.

We transfer the deceased into our care, complete the necessary documentation such as the death certificate and conduct the cremation. The family are then notified when the ashes are ready for collection.

The family may then choose to have their own private gathering to remember and honour their loved one's life.

***Additional fees such as Doctor's medical certificates and after hours transfer fees may be incurred if applicable. See “Our Professional Fee” on inside of first page.**

Sensible Funerals - Life Celebration Chapel

“A simple and respectful funeral service conducted in our Chapel by one of our funeral celebrants”

Our professional fee from \$2,975*

Our large Chapel can accommodate small services with only a few family and friends in attendance, with seating for 93 where families gather together to celebrate the life of their loved ones. There is on-site parking for 21 cars, unrestricted parking in the side streets and disabled access and amenities.

The Chapel has contemporary decor, reverse cycle air-conditioning, modern and comfortable seating, a surround-sound system and an LCD screen for photo presentations. This provides a wonderful opportunity to present a photographic history of the loved one to guests.

Livestreaming of the Funeral is included in the fee, so that mourners unable to attend can view the Service. The Service is then also available to watch any time thereafter. The Chapel also features a piano keyboard which can be used for special items and/or singing of hymns.

A glass wall revealing a waterfall cascading over granite rock in a tranquil garden setting creates the backdrop for the coffin during the service.

These non-denominational facilities enable family members of all belief systems to bid farewell to their loved ones in a dignified and peaceful environment. The time allocated for the chapel is 45 minutes.

***Additional fees such as Doctor's medical certificates and after hours transfer fees may be incurred if applicable. See "Our Professional Fee" on inside of first page.**

Church, Nursing Home or Other Venue

“A simple and respectful funeral service conducted at a metropolitan Church or Venue of your choice followed by a private cremation”

Our professional fee from \$3,800

(Additional Church, Ministers fees or Venue hire fees may apply)

Our staff have conducted services at Nursing homes and Aged Care facilities, Private homes, Parks and Gardens, Sailing Clubs, Hotels, Club rooms, Halls and Churches of many different denominations all over Adelaide and South Australia.

The “Sensible Coffin” is a respectful coffin of solid construction and is included in our price for all Cremation Services outside of our chapel.

Upgraded coffins are available upon request.

Centennial Park – Mawson Chapel

“A unique and intimate chapel incorporates a serene water feature and lush arrangement of plants at the front of the chapel, creating a calm, peaceful ambience for families to remember a loved one”
