Know Your Options

- Direct Cremation ~ NSNA
- Service & Cremation
- Memorial Service
- Graveside Burial Service
- Service & Burial

Prepaid Funerals

A prepaid funeral allows you to plan for the future by pre-selecting certain options and features you wish to have and settle the financial aspects in advance at a fixed price.

Families who decide to pay for a funeral in advance can take comfort in knowing their investment is safely accounted for. The organisation and arrangement is handled upfront financially, and monies are safely managed by Funeral Plan Management which is part of the Australian Unity Group.
